# HORSE AND COW MATS

- Best quality, specifically designed stable mats for use with cows & cattles and horses.
- Made from 100% natural rubber.
- Best for walking areas, feed passages, milking parlours, collecting yards, crossing passages, etc.
- Claw friendly and sure footed cover for uneven floors.
- Ideal for efficient feed conversion, increased weight, improved health conditions and minimal injuries.
- Built ideally for improved heat insulation and easy manure removal.
- Specifically designed mats enabling it withstanding different floor conditions.
- Safety and health of animals and the people tending them, are given utmost priority while designing these mats.

## horse

6ft x 4ft x 22mm – 44kg  
6ft x 4ft x 17mm – 36kg  
6ft x 4ft x 12mm – 30kg  
6ft x 4ft x 10mm – 28kg

## COW

6ft x 4ft x 25mm – 42kg

A high-angle photograph of a person's legs and feet standing on a black industrial mat. The mat has a grid of circular perforations. The person is wearing blue jeans and brown sneakers. To the right, there is a metal structure, possibly part of a machine or a workbench, with a red and blue striped strap and a red knob. The background shows a concrete floor and some metal rods.
